

Intermediate Orchestra

1. Two-minute prepared solo piece from standard repertoire, memorization is not required. Orchestral parts or string method books will not count as solo piece (with the exception of Suzuki method books). If the selected piece is longer than two minutes, please play the section that best demonstrate the student's technique and musicality. At the conductors' discretion, students may be asked to play a different section of the piece.

Please provide 2 extra copies of your solo piece for conductors.
